

Biology » Microscopy

Model: ES45010
Name: Binocular Microscope Advance

Model: ES45015
Name: Dissecting Microscope

Model: ES45001
Name: Eyepiece Graticule Horizontal Scale 10x0.1mm & 19mm Dia

Model: ES45002
Name: Eyepiece Graticule Horizontal Scale 10x0.1mm & 21mm Dia

Model: ES45003
Name: Eyepiece Graticule Vertical Scale 10x0.1mm & 19mm Dia

Model: ES45004
Name: Eyepiece Graticule Vertical Scale 10x0.1mm & 21mm Dia

Model: ES45005
Name: Lens Cleaning Tissue Paper 100 Leaves

Model: ES45006
Name: Microscope Eyepiece H (10X)

Model: ES45007
Name: Microscope Eyepiece H (15X)

Model: ES45008
Name: Microscope Eyepiece Wide Field (10X)

Model: ES45009
Name: Microscope Eyepiece Wide Field (15X)

Model: ES45011
Name: Microscope LED illumination Detachable

Model: ES45012
Name: Microscope Objective Achromatic DIN X10/0.25

Model: ES45013
Name: Microscope Objective Achromatic DIN X100/1.25

Model: ES45015
Name: Microscope Objective Achromatic DIN X4/0.10

Model: ES45016
Name: Microscope Objective Achromatic DIN X40/0.65

Model: ES45017
Name: Microscope Objective Achromatic X10/0.25

Model: ES45018
Name: Microscope Objective Achromatic X100/1.25

Model: ES45019
Name: Microscope Objective Achromatic X4/0.10

Model: ES45021
Name: Microscope Objective Achromatic X40/0.65

Model: ES45022
Name: Microscope Polarizing Kit

Model: ES45023
Name: Microscope Stage Clips

Model: ES45024
Name: Microslide Viewer

Model: ES45045
Name: Monocular Inclined Microscope Advance
(Illumination)

Model: ES45050
Name: Monocular Inclined Microscope Intermediate
(Illumination)

Model: ES45055
Name: Monocular Microscope Student (Junior)

Model: ES45060
Name: Monocular Microscope Student (Senior)

Model: ES45065
Name: Portable Field Microscope 150x

Model: ES45135
Name: Stereoscopic Microscope on Pole Stand 20X and 40X

Model: ES45140
Name: Stereoscopic Microscope on Pole Stand 20X and 40X (Illumination)

Model: ES45145
Name: Stereoscopic Microscope on Pole Stand Zoom 7X-45X (Illumination)

Model: ES45150
Name: Trinocular Microscope Advance (Illumination)

Model: ES45155
Name: Trinocular Phase Contrast Microscope (Illumination)

Model: ES45160
Name: Trinocular CCD/Digital Camera Microscope Advance (Illumination)

Model: ES45205
Name: Vernier (Traveling) Microscope
